ACHIEVEMENT 5 Drill & Ceremonies Practical Test

NAME: _____ DATE: _____ TESTED BY: _____

Topic: Drill of the Flight as a Flight Sergeant
Conditions: Form at least 6 cadets into a flight of 2 elements. Assign to the flight cadets who are proficient in basic drill. Provide the cadet with a list of the commands shown below without the standards (see Attachment 1) and allow the cadet to refer to them during the test. Instruct the cadet to lead the flight in drill, completing all commands in sequence.
Passing Score: 76%. Must perform at least 16 out of the 21 commands satisfactorily
Note: The cadet may add commands as necessary to navigate around obstacles or keep flight in drill area. Do not grade any additional commands. The flight's ability to perform the commands is NOT relevant to this test – only the cadet's ability to call commands properly is being evaluated.

#	Command	Acceptable Standards	SATISFACTORY	UNSATISFACTORY
1.	FALL IN	1. Gives command from the position of attention. 2. Combined command given with steady inflection without a pause between words.		
2.	Dress Right, DRESS (check alignment)	1. Proceeds to the right flank and directs individual cadets to move as needed. 2. Proceeds from element to element by facing in marching. 3. After checking 2nd element, faces in marching to the right, moves 3 paces forward of the front rank, halts, faces left.
